

Mon. P.M.

Dear Dorothy

So much to do & such a nice
afternoon and here I sit down and let it
wait. Here is part of my schedule for
next two weeks -

tomorrow wash + iron + go to Jr. Play

Wed. I help serve at Aid. (Chocolate pie)

Thurs. W.C.T.U.

Thurs. B.B. banquet, Lavinia, Gail
& I are com. for decorating tables.

Fri. I have class
and in between I have to paper & clean
I also help paint the

church basement as they plan to have
an Electrical appliance demonstration
and Leone Shaw (our new Aid president)
wants to get the basement cleaned up
first. If Annajeanne goes to St. Jo. I'd
like to go with her - if not we will
send to Margaret to get our table
decorations - probably patriotic or
Easter.

Sure wish you girls were home for the
next two weeks!

Really thrilled about your sampler -
don't let them lose it and will put
it in a frame. Did you use a design
for the stitches?

Your shirt sample is exactly like
that blue shirt I got John last
fall at Penney's in Indianola. I told

John had better hide it when you
come home. It washes beautifully.

John is still in bed - feels so tired & sleepy
today since the swelling has gone down. He
hasn't dressed for a whole week

"Peggy" is sure nice. Gladly rode her
over to Jim's yesterday & Alice rode her
down to Grandpa's. She should be taken
out every day and it won't be long till
John can give her exercise but
not for two weeks anyway

Jimmy Hunt is waiting tables at Lavery
Hotel - made \$5 one Sat. & Sun. & then
\$5 + \$7 in tips on top of that, besides his
dinners. Got \$1.50 one evening for helping
at a wedding reception & helps evenings when
there's a banquet on. Elsie Malany works
there too, in the Linen Dept. Jimmy is
about ready for a job but says there

isn't much chance in Des Moines. Nice if he could go to Chicago with you kids.

I told Margaret if she moved in with Lou + Alma she better see if there'd be room for you, too, unless you would rather go to Evanston. What do you want to do? It might be a good plan to write the same Emp. Bureau and see what kind of job you could qualify for besides cafe work. Tell them what you have done and what you like to do and maybe something will turn up about June 1 or you can wait till you go and then be on hand to look for yourself but in a few weeks I'd write the Agency that you will be up there looking for something about June 1 or whenever you want to go.

Carl is working here today - chopping wood to clean up the old wood pile.

I must gather up the clothes & get ready to wash early in the morning before Daddy goes to Mt. Airy. He is getting his income tax papers filled out - there will be enough deductions so there won't be any tax to pay but the papers have to be filled out anyway.

Daddy has gone over east of Mount this P.M. to get some pigs, I think.

Alice & John plan to raise some pigs this summer.

Too bad the roads are so bad. Dr. play won't make much money I'm afraid, but I'll sure be glad when practice is over & no more B.B. so maybe Alice will be home occasionally now she got her shoes - beige with

brown stitching & a big brown button
that fastens a turn down flap. - CMO.
John wrote to Margaret to send him some
airplane models.

"Fuzzy" has sure grown big and just as
army as ever - he will sure keep the
birds & mice busy this summer. He's a
very handsome cat. Goes to the door
and say "meow" when he wants out &
then jumps at the front door when he
wants back in.

There are remains of a few snow
drifts but most all gone & hope to not
see any more this spring. I'm ready
for it to warm up.

Do you have the buttons for your
reversible? If not you must get
some for I don't have any like

them.

Must gather eggs again. 2 cases brought
\$21.00 Saturday. Got 134 yesterday - hope it
dries up so the hens can get out doors soon.

6. P. M.

Alice came home & saddled Peggy &

Harold W. came down on Lyndon's pony to
ride up with her to play practice -

hope Peggy behaves nicely & they get

home O. K. Corwin was going to ride his

pony in and somebody else - Bulah or somebody.

We will have a pony club around here I expect.

Must get busy now -

Love ——— "Momi"
