HOW TO READ YOUR DIRECTORY

Rural residents names are listed alphabetically by last name, followed by first name or initial, post office address, route number and name of township -- then comes the section number and "O" or "R" for owner or renter.

Following is an example of the method used:

Sweet Richard M.A. 2 Rice, 11 R
(Last Name) (First Name) (P.O. Address) (Route No.) (Township) (Section No.) (O or R)

If you think all Lake Developments are the same, then you just haven't seen Wildflower!

Come to the Green Hills country of Northern Missouri. See for yourself why N. E. Isaacson and Associates has gained national acclaim for its development of private, recreational vacationlands. In Georgia, Michigan, Wisconsin, and soon-to-come in Florida.

Now there is a Wildflower to serve the Midwest. Discover the unspoiled beauty of a 1050 acre, finger lake. Take a paddle wheel excursion to get a closer look at Thunderhead Lake's 34 miles of intriguing shore line. Walk the meadows and forest lands brimming with flowers . . . 5000 acres selectively plotted for a limited number of delightfully scenic home sights.

If you've been lucky enough to have visited other Isaacson properties, then you know the kind of recreational facilities we build. Professional 18-hole golf courses. Impressive country club lodges for dining and in-door sports. Equestrian centers and tennis courts. Exclusive yacht club marinas. When complete, a total sports complex like you would find only at the finest vacation resorts.

Yes, Wildflower is different in so many ways. A place where man and nature can be as one. A place for families. For today. For the years to come.

This weekend leave the world behind. Pack an old-fashioned basket lunch, and come to Wildflower. Dream awhile. Plan awhile. And, let us show you about. . . Wildflower is open 7 days a week until dusk. Less than 2 hours drive from Des Moines by car. 2½ hours from Kansas City. (Fly your own plane? Then use the 2800-foot paved air strip adjoining the property.)
