

Centerville Ga.

Feb. 26-09.

My dear Folks:- I was
glad to hear from you Josie,
& to know that pap is not
bad. This is fine weather,
& surely it will help him
if he is out before now.

I am just getting fixed
up. My lights & the phone
were put in today. \$19.50

I have 3 rooms & pay
a mo. for them. They are
the same rooms that when
you were here pap except
I have one more room now.

This seems like home to me.
I have as good a
time as we used to. She

said she would write me
next time - they are pretty
busy at the Court house now.
She is fatter than she
used to be.

Have you given up your
visit with us? I hope not.
I got the Redding paper
today.

Write me when
you can - I don't have
very much news -
Your true & affectionate
Will.
