

Sunday morning

Dear Mary.

I dont know how  
to commence to ans. throes  
two kind letter I reced in  
the last two week.

She wasnt a word said  
about me staying over,  
I had to help to put a sibs  
up in the afternoon, I felt  
pretty tough but made the  
best of it till evening.

The train was one and one  
half hour late Monday Morning.

No I wouldnt mind coming  
to see how you have got your  
room fixed.

Mary I was never treated  
any nicer any where than  
I have been treated in your  
home and by you.

It will always be remembered  
by me a long time.

Mary you had better take that  
picture on the wall down in the  
cellar to scare the cats away.

Mary I think you would  
make a good farmer's wife

I don't think it would take  
very much of a tience to teach  
you the few things that you would  
need to know

Country life is pretty fine if  
I didn't like it I wouldn't  
be here, it is about the  
most independent life a person  
can live.

Mary I dont know when I  
can get away I dont suppose  
before two weeks but just as  
soon as I can I will be  
on my way to see my dear Mary.  
I will let you know when  
I will come.

Sincerely yours,

Carl N.
