

Tuesday evening

To my dear Mary.

Your dear letter
came today and were
glad to get it.

I have been flowing
to day I am going to
do six days flowing in
five so I can get
Saturday off.

It is certainly fine
that Mary Jan's is going
to live at Bedford NE.

Come go over and see
her some time.

I think that would
be alright to finish this
quarter and get your
credits for it after you
have got this far along
that would be alright
with me for you may then
to stop school at Christmas
and make plans for
future, If you do I will
know how to plan my work.

My dear I will come
to Des Moines Saturday for
I want to see you and
see what our plans are
going to be for the
future so we can
work for that.

Good night my dear from
your dear Carl.
