My dear Mary.

Well to day is about gone
and I havnt seen any thing that happened.

We are shucking corn now, If every thing
goes allright we will get through allright.

Hevey will be home in the morning,
We will make good use of him.

Dave Smiths died Sunday and was
buried yesterday.

Two of my hogs that I bought the other
day came in to day.

This is sure fine weather we are having
these day, If it only stay like this till after
Christmas it will be nice.

We have stop hauling wood, I dont think we will
began till after new years and maby not then.

We are going to get up some saw logs and have
sawed into lumber and make us a hog house next summer.

Every thing is coming along fine down here
but it will be much nicer when you will be
with me wont it dearie.

Bye Bye my dear
With love yours
Carl Ad.
