

Monday evening

To my dear Mary.

I have been feeling
pretty sore to day
Yesterday Mama Sunday
School Class came down
and Gail Staton and I
was out car riding
and hit a tree and
kindly stoved us both
up a little, I thought
I had better tell you.

first as last but
We are both feeling
pretty good now,

We are going to give
over to Davis City to the
hog sale tomorrow if
it doesn't look too much
like storm and from
there to Indianola and
get away and I will
come on to Leo Mow's
Wednesday sometime.

If we do not do this
I will be in the Mount
Wednesday evening on the
Great Western.

My dear the news are
scarce but I have got
lot to tell you but I will
wait and tell you when
I get there.

My dear one thing that
I want to leave on your
mind is that I still
love you
Yours dear
C. H. A.
