

Redding Iowa
Dec. 30, 1919,

Dear Mary,

I got home all O.K.
The snow is all gone and
it is a little muddy.

The train was one hour
late, How I would enjoyed
that hour sleep that morning.

Every thing was all
right when I got home,
the roads are getting -
muddy.

I guess Bedding had a
big time while I was gone
but I should worry about
that, I sure enjoyed
myself in de Moine.

It is sure lot different
out here in the county than
it is in de Moine

Dearie I wont write
very much to night I want
to take it up and mail it
on the passenger to night.

Mary dear I dont think
that I will ever forget

This Christmas for I certainly
enjoyed myself.

Bye Bye my dear
Wish you a Happy New Year
Yours With love.
