

Wed Eve.

My dear Mary,

I am sure glad
the baby girl and Bess is
doing fine.

I will have some
one else to see when I
come up again.

This sure has been a
 queer day it has tried
to snow then the sun
would shine and then it
would try to snow again.

I think the folks are
moving around quite a bit.
I think they will get
used to it after a while.

Every thing is coming along
fine down on the farm.

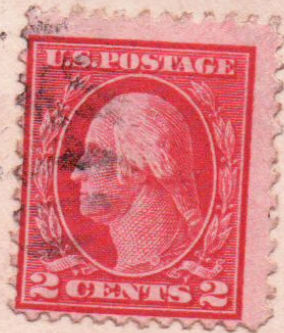

I have got five little
piggies they sure look nice.

I will cut this letter
short and sweet and try
and write you a nother
letter to night and mail
it to marrow night.

Bye Bye Marie With love

Your Dear Boy XXXX
