I went over to Blockton after Mamma this evening. She has been telling me about her trip to U. N. She said she sure had a fine time.

I just sold 12 hogs they brought me $441.13.

We haven't got any more little piggie. This is sure fine weather for them they get out in the sun and play and have a big time.

that is so sad Mary Jane and Paul can't decide on a date and place, I effect what Mary Jane says will go.

Mary dear I am not going to Ordinola I haven't got time to go to any Baket Ball games I have just been to one in Redding this year, If I go any where it will be to see my dear Mary the girl that I love

My dear I will be in U. M. Sunday not later than Monday If every thing goes allright down here.

Everything is comming fine down here so far I will try and get thing arranged so I can get away.
