

Friday noon.

My dear Mary.

I got home all O.K.
and found every thing going
along pretty good.

They sure put me to work
we had to get ready
for the sale Thursday.

The sale went pretty good
It just began to rain
just about the time it
was over.

It is sure muddy around
the feed lots but it will
half to get muddy before
spring come well I guess
the sooner it come it will
be that much better off.

The grass is began to look
a little green, I do hope
spring will soon be here.

Mary dear I sure had
a fine time when I
was in A. M.

Fred was in A. M. to the
sale, the cattle didnt sell

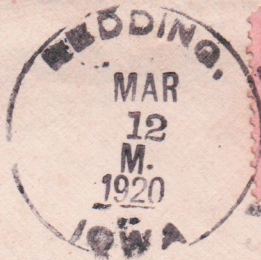

very well, they fell short
about half what they were
expecting.

There was lot of people
at the sale asking me if I
brought you my bear back
with me.

My bear I didn't this
time but it won't be be
long till I can will it
dearie

fine and news are scarce.
