

May 24. 1920.

My Dear Mary.

I sure would like to been with you Saturday and Sunday but I couldn't so maby I can get away this Saturday hoping so anyhow.

Fred took a ride in the Aeroplane to day he didnt think it was so much fun as he thought it would be.

Arthur and Bess sure must had an enjoyabl trip to Ames, I know how thos blowout goes and no water.

My dear there isn't much
news that I know only
that I love you and will
be with me instead of
writing to you for I
don't like to write anyway.

It won't be long now
just two weeks from tomorrow
and that will soon go by.

The tractor man came down
yesterday and looked over
the tractor and done a
few little minor adjustment
It run all day today with
out any trouble

Goodnight my dear.

With Love & Kin.
