

Dear Alice & Ralph & Helen -

I wish you all a very Happy Holiday
Season. We didn't see any of your
family last summer - But Vernie and
Howard and his family were with
us for a few days and they called
for a few minutes Thanksgiving Day. It is
nice to have them so near -

My sisters Mary & Ruth are in nursing
homes - but are contented and doing well
We (Bill & Mary & I) like our new apartments -
