

December 1973

Dear Cousins,
From "The Valley of the Sun + The Land of The Apaches".
We just arrived here. I had nice trip - Visited
drakes in Texas. Always enjoy them.
Wind blew hard there and got cold but
no storm.

We appreciated your card. Think Mary
was going to Dorothy's daughters
wedding. Hope she has nice trip.
They have much of your old farm
plowed. A bright if do not keep doing
that long.

Wishing you the brightest
of holidays

We hope you are all well + Happy. We
stay about the same.

With Our Best to You,
With Love Your Cousins,
Louise + Stuart
