

Mother celebrated
her 101 birthday quietly.
She was happy to have phone
calls from relatives. She is
up each day. - I'm quite
confined home now. - no one
wants to sit even if they don't
do anything!

It was so good to
hear from you - letters mean
so much.

Christmas Greetings

AND BEST WISHES FOR YOUR HAPPINESS IN THE

New Year

With love,

Lucy and Ruth
