Old Glory - (muson)

What do you see when you
look at the flag
with its stripes like flowers

Is it far-flung fields, or ^{blossoming?} ^{turning}
of a land with progress ^{wheels} booming?

What do you hear when the anthem
Like a giant chorus ^{pledged} ringing?
Do it marching feet or the measure
of each heart, free + singing ^{beat}?

What do you feel when a star is born
Enriching the state of the Union?
Do you really care or whisper a
prayer
That will join us in silent communion?

What do you think when you look at the flag?

Are the good seeds of freedom growing

From your church, from your door,

From the distant shore

Where your flag and mine is showing?

If you doubt there is a God,

Look deep into a rose;
See the velvet petals
from the folded bud unclose;

Note the tint and texture
and the lovely coloring ---

Could nature of itself evolve
so fair a thing?
