

Dear Alice and Ralph:-

12/13/86

Here it is Christmas again. Both Norrine and I are retired and we don't watch the clock or calendar so closely, so it slips up on us.

I guess you heard that I had a heart attack last Feb. 10. They got me into the Emergency Room in just minutes and I came thru it ok. Have been checking back regularly and feel good. The Dr. ok'd a trip, so late June we flew to Michigan to visit our daughter Adrienne, her husband Andy Milman and ^{our} 4 granddaughters, Julia 12, Margaret 11, Rebecca 8 and Lydia 5. They live at 8655 Warner Road, Saline M.I., 48176.

It is 7 acres, partly woods, 7 miles south of Ann Arbor where Andy works at E.R.I.M. (Environmental Research Inst. of Mich.)

We stopped over in Denver 3 days on our way home to visit with Norrine's sister's families & her sister Arlette.

Our youngest son Gregory 25, graduated from Univ. of Cal. in Berkeley in May 1984. He went to Italy for 2 years. He flew home this past August, worked at various jobs then flew back to Rome to start a teaching job. (English classes to Italian business men.)

Our older son Michael lives in Dana Point, Ca. 70 miles down the coast from Los Angeles. He loves it. He had been married over 3 years, but divorced last year. He dates a local Novato girl he knew in High School. They will both be with us for Christmas. A very Merry Christmas and

*May the special joys of the season
be yours today and always.*
