Miss Dorothy Adair:

Dear Madam:

I am very sorry to dis-
appoint you as well as
myself but I have a
feeling Alice. ~~Horrible~~

Alice "is going to come back.

She told Fattie that she
was going to ask Homer if
she could work steady
again. If she does... //

well I guess I don't care
because I am going to quit and go
into a defense factory. There
is a law that girls can

Start at the age of 16.

I saved these last few lines

I was trying to write the
way our Cream man does.

Did I ever tell you that
Walter. That was the cream
and Buttermilk man

has quit. He works in a
Defense Factory in Forest
Park.

I am now listening to the
"Supper Time Radio" more
fun.

O yes Honey I am now
Aunt for the first time.

My sister has a 6 lb boy.
See what fun. Say Dottie
Provided bear Oak Park

the other day. What do
you know. The first
time in 7 years. (what luck)

Oh sure was awful. They
burnt the Provins Goat Pox
(The Provins Kids) just to
celebrate. went to Oak Park
and had to ~~go~~ call the
Chiefs police to turn them
back. They paraded up and ^{down}
the whole Streets, blocked traffic,
and what have you. I guess
part of the provins kids were
put in jail down town.
They carried things to far. Oh
sure was Terrible. I have
been sick. I missed 2 days of
work on account of cold. I met
two in good-natured boys.

Say Darie, Bob and I
have quit. you know the
one I was going into when
you were here. Boy did it
hate it. It all happened for
no reason at all.

I am trying to get rid of a
car. Boy does it hurt.

Say this evening a kid that
owns a yellow convertible
car gave me his keys and told
me to bring his car home then
come back and get him. He trusted
me with his car (he has a fool ^{kind of} car
(Lynnie Boyfriend)). He tries
to get me go with him but
I never have.

well Baby I got to close now
now I have so much to do. Love

you write the cutest things on
the back of your envelopes.

Aren't you afraid the Government
will get you cheating Uncle
Sam out of stamps that way.

Love
Louise
