Dear Alice, Ralph & Helen -

We are still going along, a little slow at times & when we hear it is only 10 days till Xmas & get a little anxious.

Several projects are ~~too~~ to be finished - I'd hoped to go to a flea market at Triton but got involved with vacuuming, a pillow for Sam, laundry, & a pot roast in the oven. & now cards -

Rainy, cloudy weekend. John may come up Tuesday - that was the last word. - A. Jeanette called today that she would like to buy Glad's car & have it there so she could find someone to drive her wherever she needed to go. Told her to call John. So we hope to see John but no further word. M & R will be here Fri eve.

What about Christmas - If you get that big bowl of soup on we may come up Christmas day. Linda & John will be here Fri eve. so I'll plan dinner Saturday. Want to come down? Pops & the Gloeses plan to come - I'll plan a buffet meal so anyone can eat any time they get here - probably around 4 o'clock.

What are your plans? Love

M M & M
