

Dear Dot, Alice,

I had a lovely birthday,

There was a recipe for strawberry salad in the local news and

Evette, a friend dropped by, asking what are you doing for your birthday?

Well, I thought, let's go buy strawberries, the Canadian ones are ripe for the picking,

Yvette and shopped and I purchased strawberries,

Invited friends to drop by, invited next door neighbors, made the salad

AND we had a party.

In the evening, I had forgotten to check the mail earlier,

and there was a letter from Dorothy, Alice and other Adairs

.with a letter about Alice and Dorothy picking Strawberries many years

ago.

Thanks for the memories, Love, Phyllis
