

Wed. eve, 8. P. M.

Dear Earl and Mary,

Not much to write you
only to tell you of our get-
together in Boulder last week.

I am sure I wrote you the
first of last week, Freddie
got there on Sat. evening and
Mary's and Ruth got here
Sunday noon, just as we
were ready to sit down to
dinner. We met Warren at
the air-port about 11:30 A. M.
Wed. and all went to Boulder,
where the rest were there,
they had a couple Cottages
rented, as they called them
but I would say they were
regular houses. With all
kinds of room. We thought
we would stay one night
but we were enjoying our-

elves so much, we stayed
two then didn't come home
until about 5:30, Fri.

Cliff and Faye came down
Thursday and went back
that evening, tried to get them
to stay all night but wouldn't.

John brought their three
youngest boys, Arin their
two boys and Edwin so
they all had a good time.

It ~~was~~ was a real place
to get together, a tennis
court, a place to play ball,
a theatre and a Cafeteria, lots
of trees and several homes
around there & every one seemed
to have a good time.

Mary's and Ruth were
leaving Sat. morning as
Mary had to be back to
work Monday morning.
Freddie was leaving Sat.
I don't know just when.

I suppose he came to Kanner
with Orie's as they had
a wedding to go to Sat.
afternoon, Harens sister
May was getting married.
Think Orie and May was
leaving Sunday and Harene
was staying over for a
week with her sister.

John has a Brother living
in Boulder, think they were
going to be together Sat.
and they were leaving
for home Sunday, and
think planned to be home
Wed. evening. Their oldest
son that lives in Salt Lake,
I believe, he and his family
were there for two or three
Nights before we went
up and had gone back
before we got there.

It was really a nice reunion.

We have had a few good rains here but the ground dries out awful fast, yard and Paces looks good. The little sweet just won't grow, the longest stems are about six or eight inches long. and not much of it.

They are going to try out some kind of traps they shoot into the elm roots and think they will be able to save some of them - think they said the cost would be \$50.00 a tree.

They had about twenty in the State Capital grounds they were going to try it on, but before they were going to cut down.

The Drake boys were too busy to come to the funeral, suppose.

Did Lidy or her husband
ever ask you about buying
my land?

Is Barker still in the
Sole Barn, his name
wasnt in th last weeks
addy.

A friend and I went to
a friends today in a nice
apartment and another
fellow all had lunch
there then we played
pool. He always has a
lot of fun. I wish my
father had get heat.

Maybe you got
your papering done.

Both of you take it easy.
Francis & Ella are coming
up Sat, and Wilma will
come down to and stay all
Night with us. Ward is

in Kansas increasing lumber
yards. Frances is going to
the dentist.

Always Love

Thurs. morn. Sam & Jessie.

Ki- Guess Sam has written
you everything, while I
was asleep on the couch,
had been doing a few extra
things & was tired - don't
take much to make me that
way anymore. Now have to
think what I'm going to have
to eat for my company this
week end. Etta, Frances & Wilma
will all be here Sat. night. Hope
you & Grace are getting a lot
of things done you wanted to do.
Time seems to get away around
here & we don't get much done.

Always something to go to in
between. Don't work too hard.
My motto is "Never do today what
you can put off until tomorrow".
Love to all. Jessie.
