My Dear Children. Wesley & Maggie.  
as you are having something to do now  
besides writing letters. I thought I would  
drop you a few lines. I am real glad  
to hear of your good luck. I recd a letter  
this morn from Bird. Miller; it is no use  
to tell you; you have been on my mind,  
I have been very anxious in regard to you.  
& now congratulate you. I want you Maggie  
to take good care of your self. it is no use  
to tell you to take care of the boy. for you will  
do that any how. Wesley have you heard from  
Brocket about the land yet. if he writes  
to <sup>you</sup> me get the letter. See Henry he may get  
it & nat think to say anything about it.  
if you hear from him let me know.

Grandpa & Grandma is as well as usual  
the folks are generally well. I & we are well.  
I have not the headache had since I left home  
& hope I will not at least untill I return

Your Uncle W<sup>m</sup> Brown  
is talking of trying to go home with us  
if he can sell his farm. he will go.

This is not as cold a country as Iowa  
but is just as disagreeable & believe  
they had no fruit here this year  
& grain & vegetables was not a full crop  
yet every one seem to have plenty to eat.  
But I have not eat but one apple since  
I left home. & that I paid 3.00 for

Bessie is enjoying herself she has seen  
the Natural Bridge. the mountains  
& all these things. But now she wants  
to see your baby worse than anything else

Trusting these lines may find you  
both: & your little Babe well. & hoping &  
expecting to see you before another month  
rolls round, I am with the best of wishes

your father
